Subject: The importance of clarifying information the company

Attention: President and Manager

The Stock Exchange of Thailand

On Monday, July 17, 2023, the stock price of Chow Steel Industrial PCL "CHOW" decreased by 26.16% at the price of 1.47 baht per share, which might impact shareholders and investors.

The company would like to clarify that the company does not know the reason for the decline in the company's share price, and, from the fact finding that the company has followed various news, there is no negative news to the company. The company would like to confirm that the company continues all operation activities as normal with strong growth as per business plan. The company would like to inform you further that the company's fundamentals are still strong with high liquidity and relatively low net debt. None of the fundamental factors have been significantly changed.

Please be informed accordingly
